

Mark Herzing

Mark Herzing is the Chief Financial Officer of BryceTech, with over 30 years of experience in corporate leadership, financial management, and strategic direction. A former Chief Operating Officer, he has experience overseeing facilities, contracts, human resources, security, and IT.

Mr. Herzing has consulted for Government, commercial, and non-profit organizations in diverse disciplines. He is experienced in Government acquisition practices, biodefense, space systems development, information management, and RDT&E program management.

Mr. Herzing co-founded and helped achieve double-digit growth for multiple Government services contractors in the defense, homeland security, and civil space markets. He holds a Master of Public Policy from Harvard University's Kennedy School of Government, where he specialized in science and technology policy.

Mr. Herzing has served as an advisor and board member for DC area not-for-profit organizations focused on education, youth enrichment, and the arts.
